Objective: affiliation with Society of European Robotic Gynaecological Surgery

Dear Dr. Sinha

We would like to thank you on the behalf of our Board and our entire membership for your interest to become an affiliate of the Society of European Robotic Gynaecological Surgery (SERGS).

It is with great pleasure that we write to inform you that the members of AGRS will be SERGS members with a discount fee of 35 euros each per year. The AGRS website will be linked with the SERGS website.

We hope that affiliated membership of your society/working group with SERGS will encourage active participation in SERGS programs, educational program and scientific meetings.

It is our hope that your affiliation with SERGS will be motivating and that your members and ours will continue to enjoy productive and mutual beneficial interactions.

To join we ask you to re-send this letter signed and completed with society contacts by e-mail. The names of the members should be held always up to date to guarantee all benefits for each individual member. The membership continues automatically for all members unless your society/working group or SERGS asks for termination.

Our society will keep in contact to finalize the procedure.

Thank you Sincerely

Thomas IND
SERGS PRESIDENT
